PREFACE BY  
CARMEL SCHRIRE

ARCHAEOLOGY OF THE BURIAL GROUNDS, GREEN POINT, SOUTH AFRICA

*“This is a book that reveals the history of South Africa’s Mother City – captivating, picturesque, and downright spooky – that rests on the long-forgotten bones of the people who made it....This wonderfully illustrated book describes the processes of discovery, retrieval and possession within an enchanting framework of empathic scholarship.”*

*Carmel Schrire*

## *Contents:*

**Chapter 1:** What lies beneath roads, pavements and buildings: the making of Green Point;

**Chapter 2:** Disposing of the dead: a history of burials and Green Point;

**Chapter 3:** Unmarked burial grounds in Green Point: Cobern Street, Marina Residential, BP Headquarters;

**Chapter 4:** Prestwich Street: the discovery that divided;

**Chapter 5:** Making sense of what remains: afterlife and the voiceless.
